## Information Security Management System - ISO/IEC 27001:2022

The Certification Body of Schellman Compliance, LLC hereby certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2022

# Snowflake Inc.

for the following scope of registration

The scope of the ISO/IEC 27001:2022 certification is limited to the information security management system (ISMS) supporting the management of information security to protect all the assets in development, maintenance, and operations of the Snowflake AI Data Cloud and supporting processes. In addition, all features and services within the same authorization boundary as the Snowflake Data Cloud Service are applicable to this certification. This includes NativeApps, Streamlit, Snowpark container services (SPCS), Cortex, and Samooha. Snowflake supports regions across all of the Snowflake- supported cloud platforms, grouped into three global geographic segments (North / South America, Europe / Middle East, and Asia Pacific). The Snowflake Data Cloud and supporting processes comprise all Snowflake deployments across the supported cloud platforms, organized into three global geographic segments: North and South America, Europe and the Middle East, and Asia Pacific. The scope includes the control implementation guidance and additional control sets of ISO/IEC 27017:2015 and ISO/IEC 27018:2019 frameworks, in accordance with the statement of applicability, version 2.1, dated April 2, 2025.
