This Statement of Work ("SOW") is made and entered into as of the date the ordering document that references this SOW (the "Order Form") becomes binding (the "SOW Effective Date") by and between the customer noted on the Order Form ("Customer") and the Snowflake entity noted on the Order Form ("Snowflake") and describes the services to be performed by Snowflake for Customer as further described in this SOW ("Technical Services").

- 1. Description of Technical Services.** During the Term, Snowflake will provide a dedicated Partial Technical Account Manager (PTAM) available for up to ten (10) hours per week (M-F). The Technical Services described herein will commence on the Effective Date of this SOW and will terminate twelve (12) months thereafter ("Term").

The PTAM responsibilities include:

1. Provide ongoing technical guidance for ingestion, security, performance tuning & optimization, and advanced Snowflake features;
2. Provide product advocacy and customer enablement;
3. Work with Customer resources as a primary technical advisor, providing guidance on the following matters:
 - Reference architecture

4. Serve as a primary technical lead with access to Snowflake technical experts that can facilitate collaboration on broader technical items;

With the exception of the Onsite Checkpoint Meetings described below, the PTAM service is delivered remotely.

Onsite Checkpoint Meetings: Up to two (2) times during the Term, Customer may request that the PTAM be onsite in order to provide focused break-out sessions and a checkpoint on progress ("Onsite Checkpoint Meeting"). All Onsite Checkpoint Meetings must be agreed upon by the parties and scheduled at least two weeks in advance. Two (2) additional Onsite Checkpoint Meetings will be available for each 10-hour (per week) increase in PTAM service that is procured separately by Customer for an annual period.

Any requirement(s) or deviations from the scope of work not included herein will be considered outside of the scope and must be procured separately through a formal written amendment or change order to this SOW ("Change Order") that may result in additional cost or modified terms.

Late Payments: For any fees payable to Snowflake, should any invoice remain unpaid past the due date, then: (i) the overdue balance will be subject to interest at the rate of one and one-half percent (1.5%) per month (or the maximum allowed by applicable law), and (ii) Snowflake may, upon seven (7) days advance written notice to Customer, suspend Snowflake's performance of any Technical Services until Customer's payment obligations are made current. In addition, Customer will be responsible for any costs resulting from collection by Snowflake of any overdue balance, including, without limitation, reasonable attorneys' fees and court costs.
